Sub: Request for implementation of special conveyance allowance.

Respected Sir ,

We hope this letter finds you in the best of health and spirits.We are writing to you as a representative of the All India UCO Bank Divyangjan Employees Welfare Association (AIUCBDEWA) with a proposal to implement special conveyance allowance for Divyangjan employees in our esteemed Bank.

We are proud to be part of UCO Bank, which is one of the most dynamic and competitive organization in Banking sector. We are aware of the high standards and expectations that our bank will have from its employees, and we strive to meet them with our dedication and professionalism. However, we also face certain difficulties due to our physical disabilities and conditions, which sometimes hamper our productivity and efficiency.We need some extra support from the management to overcome these difficulties and enhance human resource involvement and utilization.We would like to bring to your kind notice that Divyangjan employees face mobility issues while travelling to their work place. They have to rely on various sources such as auto rikshaw, taxis or other modes of transport that are more expensive than public transport. We request your kind selves to provide additional conveyance allowance to PwD employees to meet the additional transport expenses uncured by them as some of our peer banks are already implementing the same.
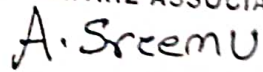

We hope our request will be favourably considered by your kind selves.

Warm regards
