Subject: Request to Organize an Essay Writing Competition for World Disability Day Awareness Campaign

Respected Sir ,

We hope this letter finds you in good health and high spirits. We are writing to you on behalf of **ALL INDIA UCO BANK DIVYANGJAN EMPLOYEES WELFARE ASSOCIATION** with a proposal to organize an essay writing competition as part of the awareness campaign for World Disability Day, which is going to be celebrated on December 3, 2023.

World Disability Day is a significant occasion that calls for attention to the rights and well-being of people with disabilities. It provides us with an opportunity to promote inclusivity, understanding, and support for individuals facing various disabilities in our organisation . As the Rajbhasha Department plays a crucial role in fostering communication and awareness, we believe that hosting an essay writing competition would be an effective way to engage a diverse audience and promote dialogue on this important issue.

The proposed essay writing competition will provide a platform for participants to express their thoughts, ideas, and perspectives on the challenges faced by people with disabilities, as well as the ways in which society can contribute to creating a more inclusive and accessible environment for them. By encouraging participants to reflect on these issues, we aim to raise awareness, foster empathy, and contribute to the ongoing discourse surrounding disabilities.

We kindly request the support and collaboration of the Rajbhasha Department in organizing and promoting this event. Your expertise in communication and outreach will undoubtedly enhance the reach and impact of the essay writing competition. Additionally, your involvement will help ensure that the message of inclusivity and support for people with disabilities is effectively communicated to a wider audience.

Here are some key details about the proposed essay writing competition:

*****Event Title: World Disability Day Essay Writing Competition***

*****Theme: "Empowering Lives: Embracing Inclusivity for People with Disabilities"***
